The VVX 250 business IP phone is a modern, four-line, basic IP desk phone with a colour display, ideal for home officeSoHo and cubicle workers that need high quality, reliable features.

Highlights

- The VVX 250 offers both Polycom® HD Voice™ and Polycom® Acoustic Fence™ technologies. Together, they dramatically improve the most important component of the VVX experience—voice clarity.
- HD Voice delivers superior, high definition sound quality through industry leading, advanced voice processing capabilities.
- The Polycom's exclusive Polycom Acoustic Fence technology keeps business conversations free from extraneous noises, echoes and distractions.
- The VVX 250 combines an attractive new ergonomic hardware design and an intuitive user interface that together reduce the time spent learning new features and functions. The VVX 250 improves personal productivity by offering end users easy access to the most frequently used call functions, such as directory, hold/resume and transfer.
- Two Gigabit Ethernet ports offer cost savings and performance benefits.
- Multilingual user interface.
