The VVX® 450 business IP desk phone is a high quality, twelve-line, colour, performance IP phone for businesses of all sizes. It is ideal for knowledge workers, executives and upper management.

## Highlights

- The VVX The VVX 450 offers both Polycom® HD Voice™ and Polycom® Acoustic Fence™ technologies. Together, they dramatically improve the most important component of the VVX experience—voice clarity. HD Voice delivers superior, high definition sound quality through industry leading, advanced voice processing capabilities. The Polycom Acoustic Fence technology keeps business conversations free from extraneous noises, echoes and distractions.
- The Polycom VVX 450 is a desktop phone that meets the budget and communication needs of any business. It is loaded with sophisticated features that are traditionally found only on high-end desktop phones. The VVX 450 is easy to use, reliable, and stylish. End-users will find that it combines an attractive new ergonomic hardware design with an intuitive user interface that together reduce the time spent learning new features and functions.
- Two Gigabit Ethernet ports offer cost savings and performance benefits.
- USB port for media or storage applications enables users to move data around more quickly.
